## Hot Sheet: Week of April 13

- *Debris* by Michelle Malone: Even homos get the blues. Carrying on the family legacy (her grandmother and mom were both professional singers), celebrated slide guitarist "Moanin'" Michelle Malone displays grit and skills that rival Lucinda Williams, Melissa Etheridge, and Bonnie Raitt. *Debris* finds the celebrated soul-filled singer delving into emotionally raw territory with one of the most epic breakup stories ever told.
